Submit your essay

Deadline: August 11, 2020

Entries will be judged by a panel of academics, researchers and science communicators in Nigeria and the Diaspora.

The criteria for assessment will be:

- Originality (30%)
- Relevance & practicality of ideas within local context (50%)
- Clarity of expression, flow, and thought (20%)

Top entries at undergraduate and postgraduate categories will receive a Tablet, one-year professional membership subscription, one-on-one mentoring from a r-bridge team member and a Certificate of Achievement.

Selected entries will receive “Highly Commended” certificates

Winners will be announced on August 28, 2020.
